

List of Acronyms for the Chemical Facility Anti-terrorism Standards

ACG	A Commercial Grade
AHQ	Area of Highest Quantity
AIChE	American Institute of Chemical Engineers
APA	A Placarded Amount
ASP	Alternate Security Program
BZPP	Buffer Zone Protection Plan
CAS	Chemical Abstract Service
CCPS	Center for Chemical Process Safety
CFATS	Chemical Facility Anti-terrorism Standards (6 CFR Part 27)
CFR	Code of Federal Regulations
COI	Chemical of Interest
CSAT	Chemical Security Assessment Tool
CSCD	Chemical Security Compliance Division
CUM 100g	Cumulative STQ of 100 grams for Designated Chemical Weapons
CVI	Chemical-terrorism Vulnerability Information
CW	Chemical Weapons
CWP	Chemical Weapons Precursors
DHS	Department of Homeland Security
DCS	Distributed Control Systems
EPA	United States Environmental Protection Agency
DOT	United States Department of Transportation
EPCRA	Emergency Planning and Community Right-to-Know Act
EXP	Explosives
FOIA	Freedom of Information Act
HME	Hazardous Materials Endorsement
IED	Improvised Explosive Device
IEDP	Improvised Explosive Device Precursors
IFR	Interim Final Rule
ICS	Industrial Control Systems
IST	Inherently Safer Technology
LNG	Liquefied Natural Gas
MTSA	Marine Transportation Security Act
NFPA	National Fire Protection Association
OSHA	United States Occupational Safety and Health Administration
PCII	Protected Critical Infrastructure Information
RAMCAP	Risk Analysis and Management for Critical Asset Protection
RAM-CF	Risk Assessment Methodology for Chemical Facilities
RBPS	Risk-based Performance Standard
RMP	EPA's Risk Management Program (40 CFR Part 68)
PCS	Process Control Systems
PIH	Poison Inhalation Hazard
SCADA	Supervisory Control and Data Acquisition systems
SSI	Sensitive Security Information
SVA	Security Vulnerability Assessment

SSP	Site Security Plan
STQ	Screening Threshold Quantity
TIH	Toxic Inhalation Hazard
TSA	Transportation Security Administration
TSDB	Terrorist Screening Database
TWIC	Transportation Worker Identification Credential
USC	United States Code
USCG	United States Coast Guard
VBIED	Vehicle-borne Improvised Explosive Device
WME	Weapon of Mass Effect
